

About Us

The Standish Active Seniors is a group of older adults from Standish and surrounding communities who regularly come together for friendly conversation, community, and social connection. The group relies on its member volunteers to organize theme events, decorate for holidays, serve meals, plan events, and recruit new members to join.

The Standish Parks & Recreation Department supports this group by providing lunches, planning trips and tours, and promoting activities.

For more updated information, call Standish Parks & Recreation 642-2875 or visit our website: www.standishrec.com
