Crazy Chemworks (7 Weeks)

In this program, children make gooey slime, experiment with different reactions and learn to use the tools that chemists use. Polymers and catalysts are only two of the fascinating concepts young scientists explore in this thrilling trip through the chemistry lab! At the end of every class, they take home an educational toy that extends the learning experience!

Topics Include:

Chem in a Flash ♦ Dry Ice Capades ♦ Glow Show ♦ Junior Reactors ♦ Lab Works ♦ pH Phactor ♦ Slime Time

Grades: K - Gr 6

Day/Time: Tuesdays, 4:30 – 5:30 PM

Program Dates: Nov 5 - Dec 17, 2024

Do you have a guarantee?

Yes! Our guarantee is simple. You will be satisfied with Mad Science or we will make it right, period. Our reputation is built on the quality of our programs and we constantly strive for improvement. After attending the first class, if your child does not wish to continue in Mad Science, simply call our office prior to the second scheduled class and we will issue you a refund (less a \$25 processing fee). After that time, no refunds will be issued.

*****All refunds take 1-3 weeks to process.**

Frequently Asked Questions

- We believe in quality over quantity! Classes will typically have 12-24 students.
- Preschool classes will have 10-12 children.
- Class topics are subject to change without notice.
- Attendance is the responsibility of the parent. Please write the dates of the classes on your calendar and remind your child to attend class! If your child is not old enough to go to and from Mad Science on their own, please consider waiting to enroll them until next year.
- **What if my child misses a session?** All of our class topics are independent of each other. If your child misses a class, it will not affect their progress in the After School Program. There are no prorates or refunds for missed classes

Student Conduct in Mad Science

Mad Science strives to provide a fun and safe learning environment at all times. If a child needs to be removed from class due to unsafe or disruptive behavior, no refunds will be granted.

What is Mad Science?

Mad Science conducts educational, entertaining, and hands-on science activities for elementary-age children. Our approach is simple. We use exciting activities and spectacular demonstrations to capture the attention and imagination of children. Once captivated by the presentation, we introduce a series of awesome experiments and activities in which the children can participate. Our programs are educational and FUN! We supply all of the materials and equipment used in the courses we offer.

Please note the program dates and times on your calendar!

Completing the registration enrolls your child in the Mad Science program. You agree to release the school and the School District from all liability. You also agree that your child will adhere to the classroom policies established at the first meeting.
