

Standish Parks & Recreation

Financial Assistance Application

Standish Parks & Recreation is helping to build a healthy, connected, and inclusive community by promoting resources and opportunities that improve quality of life.

While the fees associated with recreation programs represent a philosophy that the participant should cover the costs of providing the service, we understand due to individual circumstances, some are not able to pay their total registration fees.

This financial assistance is available to Standish residents only. Please thoroughly review the following information.

- Scholarships may not be used for facility rentals or subcontracted programs.
- Financial assistance will not be approved for anyone with an outstanding balance for a program that is past the payment due date.
- Space in programs and funds are both limited. Applications will be accepted on a first-come, first-served basis.
- **If you do not fill out the application fully and provide the needed documentation, your application will automatically be denied.**

Application Deadlines

- Summer Camp - May 1st
- Before Care & After Care - August 1st
- All other programs - 2 weeks prior to their start date.

Financial Information

Financial Aid that is awarded or denied is based on household income eligibility. Please be aware that we have limited funds and want to ensure those who need financial assistance be granted as much as possible based upon family needs. Maximum amount approved will be 50% of program cost.

Please submit your fully completed application, including needed documentation, via email to Nikki Billingslea, Assistant Director of Parks & Recreation.
